Mouton 1982 (OWC)

100 pt

“This wine remains one of the legends of Bordeaux. It has thrown off the backward, youthful style that existed during its first 25 years of life, and over the last 4-5 years has developed such secondary nuances as cedar and spice box. The creme de cassis, underlying floral note, full-bodied power, extraordinary purity, multilayered texture, and finish of over a minute are a showcase for what this Chateau accomplished in 1982. The wine is still amazingly youthful, vibrant, and pure. It appears capable of remaining fruity and vibrant in 2082! Thank God it is beginning to budge, as I would like to drink most of my supply before I kick the bucket. This is a great, still youthful wine, and, on occasion, one does understand the hierarchy of Bordeaux chateaux when you see the complexity and brilliance of this first-growth. Anticipated maturity: 2015-2050+”

Lafite 1990 (OWC)

96 pt

“Interestingly, a bottle of 1990 Lafite Rothschild I pulled from my cellar for a video blog on my web site was still buttoned down, tight, and even with extended decanting was not showing as much as I would have hoped. However, a bottle tasted, of all places, in Seoul, Korea in February, was only a few points short of perfection. That amazing performance motivated me to pull another bottle out of my cellar and follow it over the course of two days. Sure enough, by the second day the wine was roaring from the glass. The 1990 Lafite has turned out far better than my early assessment. While it still possesses some firmness, and performs like a late adolescent in terms of its evolution, it boasts gorgeous aromas of cedar, tobacco leaf, cassis, and lead pencil shavings. The explosive aromas are followed by a fleshy, full-bodied wine that should hit its peak in 5-8 years, and last for 25-30 more.” – tasted on Jun 29, 2009

Lafite 2008 (OWC)

98 pt

“A candidate for the -wine of the vintage,- the 2008 should have been purchased before it began to soar in value because of the significance of the number 8 in the Chinese culture (denoting good luck). Representing 40% of the production, this blend of 83% Cabernet Sauvignon, 13% Merlot and 4% Cabernet Franc offers aromas of high quality unsmoked cigar tobacco, lead pencil shavings, creme de cassis, earth, cedar and asphalt. Full, rich and stunningly concentrated, I doubt it is inferior to the 2010, just more classic as well as slightly more forward and a degree weaker in alcoholic potency (12.5% versus 13.5%). The 2008 should be relatively drinkable in 6-10 years as it is already showing remarkable complexity and breed, and will last for 30-35 years...at the minimum.”

Petrus 1984 (OWC)

1984 Petrus had seashells and sawdust in its nose and while there was not a lot of fruit, it wasn't bad for 1984. There were flavors of plum and cereal, along with baked apple pie. There was just enough light grit to make it pleasant from start to finish in mouth
