Premium Distilleries at Friendly Prices

While distillers make all the whisky, they're not responsible for every bottle on the shelf. There are a whole host of other companies who select casks and bottle whiskies – the independent bottlers. From casks that the distilleries can't release to those that they won't, the indies offer an alternative take on whisky, giving independent bottlers the change to try a huge range of different drams.

All current stock in Hong Kong. All are in 750ml unless specified. For order and enquiries, please contact us at (852) **3154 9570** or Wechat / Whatsapp us at (852) **6481 0000** or email us at info@wineworld.com.hk.
