On the special night of May 3rd, we will be hosting a Chateau Le Bon Pasteur wine dinner that explores 5 vintages of this renowned Pomerol property during the tenure of Michel Rolland, who managed the winery from 1978 to 2013 (when he sold the winery to Goldin Group).

The 7-hectare Le Bon Pasteur situates in northeastern Pomerol, with L'Évangile and Gazin being its neighbours. Today, the vines have all reached an average age of 40 years old and the vineyard is home to 80% Merlot and 20% Cabernet Franc. The Rolland method is applied throughout the viticultural and vinification process - yield is stringently managed, harvest is only by hand and only takes place when the berries reach optimal ripeness. Since 1978 Rolland has been at the forefront of directing the technical team of Le Bon Pasteur - and has continued to lead the team after 2013 sale.

May 3rd wine dinner would be a great occasion to evaluate the ageability of Le Bon Pasteur, as well as the evolution of Michel Rolland's winemaking philosophy. 1979, 1988 and 1999 will be shipped directly Ex Chateau in magnum format - don't miss out this rare opportunity to taste them!

EXTREMELY LIMITED SEATS. Please book at your earliest convenience to avoid any disappointments. Full payment of dinner fees are required to secure your seat.

1979 Le Bon Pasteur (1.5L) | Ex Chateau

A late vintage. The flowering was homogeneous while enjoying beautiful weather conditions. A warm month of July and a more temperate month of August caused a delay in veraison. The harvest began around October 8th, 10th. Complex nose of truffles, licorice and wood. On the palate a sensation of freshness with dense and silky tannins. A good length in the final still giving pleasure and charm.
