

Seconds from Prominent Chateau

2nd Wine/Label in **Bordeaux** can be excess wine that producers have not chosen for the chateau's first label, but are usually grown in the **same vineyard with the first label**. Their quality is still very high at affordable and pleasant pricing point. Depending on different chateau, **2nd Wine/Label** can be made from property's younger vines. For example, Echo de Lynch Bages, the 2nd wine of Lynch Bages, is chiefly made from the property's youngest vines.

Below are a selection of second or affiliated wine from top and famous Chateaus. If you would like to find a second wine that is not in our list, we can also help source it for you! We have a professional procurement team at your service. For order and enquiries, please contact us at **3154 9570** or email to info@wineworld.com.hk.

Sassicaia Tenuta San Guido Guidalberto IGT Toscana 2011

RP 92: Made with Cabernet Sauvignon (60%) and Merlot, the 2011 Guidalberto opens to dark, rich concentration and beautiful aromatic intensity. You really feel the weight and importance of the wine thanks to its shapely aromas of dark fruit, plum, spice and bitter chocolate. The mouthfeel is incredibly supple and the rich density is long lasting.

Almarira EPU

Almarira is the result of a felicitous encounter between Baron de Rothschild and Viña Conchay Toro. With the joint effort, they have created an exceptional Franco-Chilean wine called Almarira. Almarira EPU is the 2nd wine of Almarira.
