HENNESSY PARADIS IMPERIAL

70 cl

Retail: ~~\$18,400~~

Now: \$17,680

An exquisitely refined and elegant blend of more than 100 eaux-de-vie, aged for a minimum of 30 years and going back to the middle of the 19th century. Inspired by the legend of an 1818 order of a unique blend of rare cognacs for Tsar Alexander I of Russia, Hennessy's Master Blender Yann Filloux has created Paradis Imperial in 2011.

AROMA & FLAVOURS – The nose reveals itself with the freshness of the first flowers of summer, as the most subtle perfumes waft through the air with a faultless finesse: spring essences, jasmine and orange flower swirl in a bouquet of remarkable intensity. The floral notes return on the palate, unremittingly, continually revealing new tones of expression.

RICHARD HENNESSY

70 cl

Retail: ~~\$33,500~~

Now: \$32,380

Richard Hennessy is the embodiment of 250 years of the history, knowledge and expertise of the Hennessy Maison, with a unique blend of exceptional and rare eaux-de-vie aged from 40 years to nearly 200 years old. Each carafe is numbered and made of pure hand-blown crystal.

AROMA – Its beautiful amber colour, deep and warm, foretells its undeniable strength. Its aroma fills the nose with delicate nuances of flowers, mixed spices, nutmeg and blanched fennel. The power and depth of the aroma is echoed in the mouth, where the spices, notably pepper, play a key supporting role. Then the structure takes shape: leather notes gather, alongside nuts and candied fruits.

HENNESSY V.S.O.P & HENNESSY XO

Hennessy V.S.O.P

70 cl Retail: ~~\$640~~ **Now: \$490**
150 cl Retail: ~~\$1,390~~ **Now: \$1,220**
300 cl Retail: ~~\$2,900~~ **Now: \$2,420**

Inspired by a cognac created in 1817 in response to a request from the future king of England, George IV, Hennessy V.S.O.P has built its reputation across nearly 2 centuries. Today Hennessy V.S.O.P has become established as the world's favourite V.S.O.P cognac, and is recognised for its harmonious and well-structured blend.

On the nose: the first fragrances perceived are soft spices such as vanilla, clove and cinnamon. Then delicate toasted notes follow, arising from the maturation in oak barrels.

On the palate: the natural balance of strength and smoothness creates a harmonious blend in which maturity combines with vigour. The structure is softened by a suggestion of fresh grape character.

All cognacs subject to final confirmation and on first come first serve basis. Great cognac is rare and stock is limited. Promotion offer last until **Feb 13, 2015**.

Hennessy X.O

70 cl Retail: ~~\$2,000~~ **Now: \$1,580**
150 cl Retail: ~~\$4,200~~ **Now: \$3,800**
300 cl Retail: ~~\$8,900~~ **Now: \$7,680**

Created by Maurice Hennessy in 1870 for his circle of friends, Hennessy X.O ("extra old") marked the creation of a new style of Cognac, one that was robust, rich and incredibly long-lasting. Hennessy X.O is characterized by a deep amber colour, the result of a long ageing process in specially selected barrels. A complex, multifaceted blend of about a hundred eaux-de-vie, Hennessy X.O reveals its flavours slowly, in generous, rounded notes of spice and black pepper balanced by notes of dry and candied fruit.
