Montrose 2009 – RP 100

“The summer of 2009 was very hot and dry, which got the harvest off to a reasonably early start. Jean Bernard Delmas’ goal was to find perfect equilibrium between freshness and concentration, given its incredible opulence and the voluptuous character this vintage offered. That’s what this wine has in abundance. With an astounding dense purple color, the wine has velvety, sweet tannins, and an extremely open-knit and opulent blueberry, blackberry and creme de cassis nose. There is scorched earth, vanilla and, again, telltale licorice and spice. It is unctuously textured – thicker and juicier than the 2010 and more forward. This wine should come into its own in another five years.” – **Robert Parker 100 points**

Monbousquet 1996

“The 1996 Monbousquet is an outstanding effort. The wine is slightly tannic, but it exhibits an exotic nose of kirsch liqueur, cassis, roasted herbs, espresso, and mocha. It possesses excellent texture, impressive depth and richness, and sweet toasty oak. The saturated dark ruby/purple color suggests a dense wine. The finish is both long and well-delineated, with moderate tannin. This beautifully-etched Monbousquet will take several years to come around” - **RP 90**

Duhart Milon 2009

"It displays an inky/blue/purple color as well as a big, sweet nose of creme de cassis, forest floor, licorice, lead pencil, cedar and subtle barrique smells. Viscous and full-bodied, it is the most concentrated and broadest example of this cuvee I have tasted in over three decades. It will be ready to drink in 5-7 years and should last for three decades or more. Consumers looking to maximize value should be checking out Duhart Milon, as this may be the single smartest purchase in this great and historic vintage! – **RP 97**

Talbot 2006

"This fruity, soft, somewhat commercial, mid-weight St.-Julien offers sweet black cherry and currant fruit intermixed with subtle herb, spice box, and smoke characteristics. While not particularly concentrated, it is a round, aromatic, soft, sensual 2006 to enjoy over the next 10-13 years." - **RP 89**

Pavie 2006 - RP 96

“The 2006 Pavie, a blend of 70% Merlot, 20% Cabernet Franc, and 10% Cabernet Sauvignon, is cropped low as the viticultural work is impeccable, the winemaking is thoroughly Burgundian in style, and bottling is accomplished with no fining or filtration. With over 90 acres in vine, this is one of the larger of the premier grand cru classes in St.-Emilion. A prodigious effort, the 2006 does not have the sucrosite of the 2005, 2003, or 2000, but it would not be embarrassed if tasted side by side with either of those two titans. A dense purple color as well as an extraordinary perfume of crushed black currants, licorice, wet stones, and subtle background oak are found in this tannic, dense, masculine-styled 2006. Backward and extraordinarily pure, it is built like a Manhattan skyscraper with exceptional focus, depth, texture, and length” - **RP 96**
