Taiwanese Single Malt Whiskies have more to offer than its pioneer distillery Kavalan. Multiple award-winning, Nantou-based OMAR distillery is growing in fame. OMAR (meaning "Amber" in Gaelic language) Distillery creates a whisky expression that appeals to traditionalists. The team insists on non-chill filtration and zero use of caramel colouring, producing a dram that is naturally golden in colour and expressive of cask and terroir influence. Their cask strength series (launched in 2013) is definitely one to watch and taste. Opulent in tropical fruit flavours and peaty smokey notes (in peated versions only), OMAR Cask Strength malt whiskies have found favour among whisky connoisseurs and experienced whisky judges.

What should you try? WineWorld Team highly recommends **OMAR Cask Strength Peated Malt Whisky**, awarded WWA Best Taiwan Single Malt 2018 for those who are looking for Scotch alternatives. If you are an adventurous drinker looking for exotic flavours and fruity nuances in your whisky, go for **OMAR Cask Strength Malt Whisky finished with Liqueur Finish**. The Plum Liqueur barrel finished OMAR whisky is among our favourite.

OMAR Cask Strength Malt Whisky (Plum Liqueur Barrel Finish)

OMAR 原桶強度風味桶威士忌 (梅子酒桶)

Taiwan has long been regarded as the kingdom of fruits. Nantou Distillery creates this fruit liqueur series to celebrate this fact. In this version, green plums of Nantou are first used to make fruit liqueur of rich, fragrant plum flavours; zesty acidity and balanced sweet-sour finish. The nuances of plum liqueur harmoniously integrate into OMAR Cask Strength Malt Whisky (Plum Liqueur Barrel Finish) and impart exotic aromas into the dram.
