Dear Eris,

Macallan renamed its 2004-launched Fine Oak series with Triple Cask Matured series in replacement of its Fine Oak series in 2018. Today's highlight includes a great value deal on this newly launched Macallan 12 years old under the line of Triple Cask Matured. For those who like an all-rounded experience, this Triple Cask Matured expression gives you an integrated profile of American and European sherry-seasoned oak casks; as well as ex-Bourbon oak casks. If you specifically like Sherry-oaked whisky, don't miss out the special offer on Macallan 18 years old Sherry Oak!

Macallan 12 Years Old Triple Cask Matured

The Macallan Triple Cask Matured 12 years old is created from a trinity of spirits, matured individually in European sherry seasoned oak casks, American sherry seasoned oak casks and American ex-bourbon oak casks. Once filled, the maturing spirit remains undisturbed in the same casks for 12 years - after which this complex combination of casks is exquisitely and expertly married together to create this vibrant single malt.

Triple Cask Matured 12 Years Old was previously known as Fine Oak 12 Years Old and offers the same extraordinarily smooth, delicate yet complex character with a new name, new bottle and bold new packaging. Reflecting the quality of our whiskies and unveiling the skills and craft of the Macallan Masters, this new identity for our core range will roll out from the end of April across the world.
