If you are looking for value options to enjoy amidst this difficult period of time, check out Chateau Musar. This leading Lebanese winery is known equally for its incredible quality and value for money. Musar reds are crafted from a blend of Cabernet Sauvignon, Carignan and Cinsault. Of all its qualities, one of the most striking features about Musar is that the wines bear great resemblance to rustic, old school Bordeaux, especially that of St Estephe, once aged. Our team's favourite? 2001 Musar. Drinking beautifully with a mix of stewed plums, super ripe cherries and potpourri aromatics on the nose, smooth like cashmere on the palate!
